

White Oak - Plank

Last Revised 11/12/2019 - A&D

PRODUCT DESCRIPTION

White Oak Plank (or face grain) table and counter tops are built with parallel strips of wood typically 4" to 6" wide, varying in width depending on top dimension and availability. The grain texture is medium to course and shows the elegant natural patterns of the wood. White oak is light brown to dark brown with few instances of sap wood with generally straight grain with occasional curls and knots appearing. Staggered butt joints may be included on tops longer than 8'.

SPECIFICATIONS

STANDARD SIZING

1 1/2" thick
Sized to your specifications
Rounding, shaping, and cutouts are available upon request

MATERIAL AND SURFACE

White Oak (FSC Mix Credit)
Janka hardness scale of 1640
