Glacier Herringbone
Glacier glaze finish is cool and bright with the warm wood tones making subtle appearances.

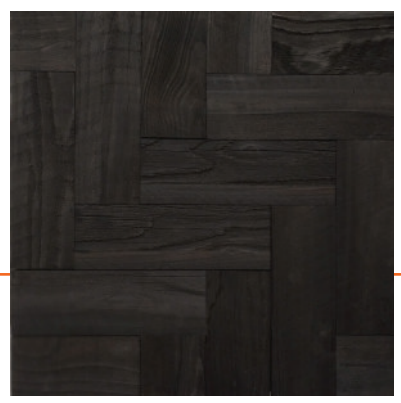

GLACIER

Natural Herringbone
Natural herringbone wood tiles present the reclaimed wood as nature intended. With a wide variety of colors embedded into the natural finish, these panels can fit into a range of modern and rustic designs, and they make a great centerpiece for wooden wall hangings.

NATURAL

Ember Herringbone
Timeless Herringbone pattern takes on new dimension when finished in rich, black ember finish—inspired by Japanese shou sugi ban wood charring.
