N/A

Glacier Grid

Glacier glaze finish is cool and bright with the warm wood tones making subtle appearances.

GLACIER

Natural Grid

Natural grid wood tiles present the reclaimed wood as nature intended. With a wide variety of colors embedded into the natural finish, these panels can fit into a range of modern and rustic designs, and they make a great centerpiece for wooden wall hangings.

NATURAL

Ember Grid

Classic grid pattern takes on new dimension when finished in rich, black ember finish—inspired by Japanese shou sugi ban wood charring.
