DISCLAIMER: PET Felt is made via blending fibers and needle punching. Some boards are a blend of colors and slight variations will exist in shade and needle pattern.
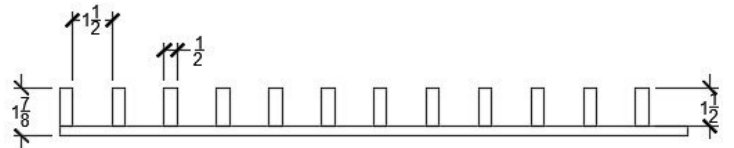

Since wood is a natural material, there are variations, including knots, texture and grain from piece to piece. The wood used may vary from the wood used in samples or product photography due to the inherent characteristics of the material. In turn, no representation, warranty and/or guarantee is made with respect to the precise color, luster or appearance of finishes.
