INTROVERT & EXTROVERT

These design-forward, three-dimensional panels were developed in collaboration with Michael DiBlasi and Gregory Rothweiler of the River Light Group. In a sconce-like gesture, Introvert & Extrovert offer a focused yet visually dynamic light source in your next Cambio wall design and are particularly exciting to use in a theater setting. Introvert & Extrovert panels are 18" x 18", 4" deep, and available in 3 colors.
