

TROPICS MULTI-LEVEL PANEL

TROPICS MULTI-LEVEL PANEL

The Tropics Panel features various reclaimed pallet hardwood sourced from Africa and South America. The variations offer a blend of tones from rich reds to creamy browns. The natural patina panel is produced with a repeated pattern, making it easy to install end to end or vertically stacked. Wood tones will vary.

DIMENSIONS

Stave widths 3", 2" and 1"

Stave thickness 1/4", 1/2" and 3/4"

Six standard panel sizes:

- 18" x 18"
- 18" x 36"
- 36" x 36"
- 18" x 54"
- 18" x 90"
- 24" x 96"

MATERIAL AND SURFACE

Janka hardness scale 700 to 1800 due to the range of species.

Standard reclaimed marks may be apparent. Voids up to 1/4" are allowed and not filled. Panel Backer: 12mm Birch Ply Backer material may show through nail holes and small cracks.

Comprised of more than a dozen species of wood from Africa, Asia and South America, the colors and grain patterns are rich and varied.

FINISHES / ADHESIVES

Low VOC waterborne clear coat, 66 g/L

Sheen: Satin 105

Adhesive VOC: 0 g/L (NAUF compliant)

FIRE RATING

Class A and B fire-rating available upon request

3-5 weeks depending on area, and ship date provided upon order

MOQ

No Minimum Order Quantity

DISCLAIMER: Since wood is a natural material, there are variations, including knots, texture and grain from piece to piece. The wood used may vary from the wood used in samples or product photography due to the inherent characteristics of the material. In turn, no representation, warranty and/or guarantee is made with respect to the precise color, luster or appearance of finishes.
